

EVENT LEAD CAPTURE MADE EASY

You attend our events with one goal - to find leads that turn into new business. Now, you can capture and manage those leads from the same mobile app our attendees use - no extra software, no messy exports, no lost business cards.

HOW IT WORKS

- 1 SIGN IN TO THE EVENT WEBSITE TO CREATE YOUR ORG PROFILE AND PRODUCT INFORMATION**
- 2 SCAN ATTENDEE DIGITAL BADGES TO CAPTURE LEADS**
- 3 RATE LEADS, SELECT PRODUCT INTERESTS, ADD NOTES & MORE**
- 4 RANDOMLY SELECT WINNERS FOR GIVEAWAYS FROM THE APP**
- 5 EXPORT LEADS TO YOUR CRM OR MARKETING PLATFORM FOR SEAMLESS FOLLOW-UP**

NO MORE MISSED LEADS

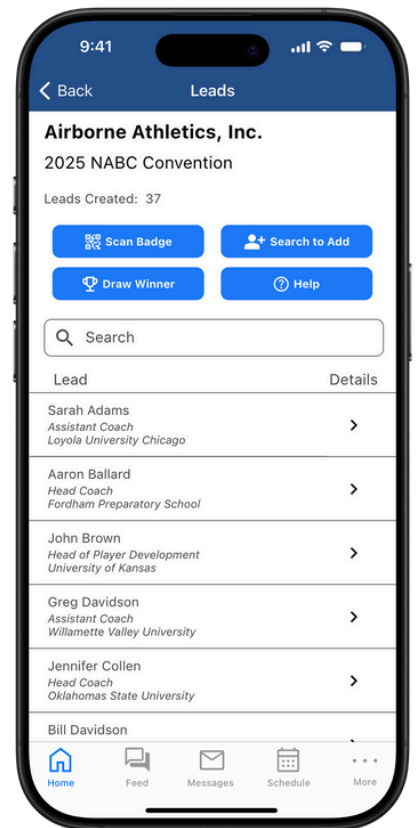

Attendees can request information from you through the app in case they missed your booth.

A SIMPLIFIED SYSTEM

Everything functions in one cohesive system, with no extra vendors, scanners or tools.

APP & BROWSER FLEXIBILITY

This solution is web and app enabled, providing you access almost anywhere.
