- Whereas, CRNAs are qualified to make independent judgements regarding all aspects of anesthesia care based on their education, training and licensure; and
- Whereas, CRNAs are trusted anesthesia experts, caring for patients safely and compassionately, delivering specialized, cost-effective care to all patients—from newborns to seniors—for every type of procedure in all types of facilities; and
- Whereas, CRNAs' experience in critical care nursing in addition to anesthesia care, provides the training and education to address unique healthcare challenges of some of our sickest patients, including veterans; and
